FARM TO FORK

- ♻️ Handle a real worm and learn how to make healthy soil.
- ♻️ Plant a seed and take it back to kinder to watch it grow.
- ♻️ Stretch out during seed Yoga to learn the life-cycle of a plant.
- ♻️ Dress up as a buzzy bee while discovering what grows in the CERES farm. Help us pollinate the plants in the farm.
- ♻️ Feed the CERES chickens and learn where eggs come from.

CERES DISCOVERY TOUR

- ♻️ Explore the CERES community garden and farm.
- ♻️ Dress up as buzzy bees while discovering what grows in the CERES farm.
- ♻️ Learn how bees help make honey and pollinate flowers.
- ♻️ Feed the CERES chickens and learn where eggs come from.

WORMS AND MINI-BEASTS

- ♻️ Investigate the CERES worm farm and discover the elements that make healthy soil.
- ♻️ Handle a real worm and learn about its role in making healthy soil.
- ♻️ Hunt for mini-beasts and learn about their importance to a healthy environment.

ANIMAL SHELTERS AND HABITAT

- ♻️ Play an exciting game along the Merri Creek, exploring the importance of animal shelters and habitat.
- ♻️ Explore surrounding habitat and collect natural materials to make bush cubbies and animal shelters.
