

The Sustainability Hub

- Great Examples of Learning Stories

Core Module Learning Stories

Primary

St. Marys Colac - Sustainability Team

<http://sustainability.ceres.org.au/project/rrrc-sustainability-club/>

St Kevin's Primary School - Encouraging Good Habits

<http://sustainability.ceres.org.au/project/sustainability-at-st-kevins-ps-2010/>

Secondary

Frankston High School - Eco Friendly Geography Department

<http://sustainability.ceres.org.au/project/geography-department-to-go-carbon-neutral/>

Alkira Secondary College – Core Module Case Study

<http://sustainability.ceres.org.au/project/core-module-case-study-2/>

Energy Module Learning Stories

Primary

Alphington Primary School - Switch Off Sign Competition:

<http://sustainability.ceres.org.au/project/switch-off-competition/>

Orchard Grove - Green Energy Award

<http://sustainability.ceres.org.au/project/orchard-groves-kermit-green-energy-award/>

Box Hill North Primary School - 5 Energy Tick Award System

<http://sustainability.ceres.org.au/project/5-ticks-for-energy-sustainability/>

Werribee Primary School- Energy Frog Visiting People's Homes

<http://sustainability.ceres.org.au/project/energy-frog-journal-2/>

St Therese Catholic Primary School Torquay - Solar Panel Installation from Energy Efficiency Grant

<http://sustainability.ceres.org.au/project/solar-panels-at-st-therese-torquay/>

St John's Primary School - Riding to School

<http://sustainability.ceres.org.au/project/a-sustainable-way-to-travel-bike-ed-at-st-johns/>

Secondary

Star of the Sea College - Science Week Activities

<http://sustainability.ceres.org.au/project/energy-case-study-star-of-the-sea/>

Ruyton Girls' School - Green Power For Pool

<http://sustainability.ceres.org.au/project/buying-100-green-power-for-our-pool/>

Melbourne Girl's College - Pedal Powered Moonlight Cinema

<http://sustainability.ceres.org.au/project/the-worlds-first-zero-carbon-pedal-powered-moonlight-cinema/>

Waste Module Learning Stories

Primary

St Kilda Primary School - Zero Waste Fete

<http://sustainability.ceres.org.au/project/st-kilda-primary-zero-waste-fete/>

Menzies Creek Primary School - Zero Waste School

<http://sustainability.ceres.org.au/project/how-menzies-creek-p-s-became-rubbish-free/>

Brunswick East Grammar - Green Team:

<http://sustainability.ceres.org.au/project/waste-by-the-green-team/>

Elwood Primary School - Reducing Rubbish at Elwood Primary

<http://sustainability.ceres.org.au/project/reducing-waste-at-elwood-primary/>

St. Francis Xavier Primary School (Box Hill) - Waste Case Study

<http://sustainability.ceres.org.au/project/waste-case-study-3/>

Secondary

Northcote High School - Mobile Muster

<http://sustainability.ceres.org.au/project/mobile-muster-2012-2/>

Ruyton Girl's School - Clothes Swap

<http://sustainability.ceres.org.au/project/clothes-swap/>

Firbank Grammar- Performance Play

<http://sustainability.ceres.org.au/project/the-people-of-the-sea/>

Water Module Learning Stories

Primary

Chatham Primary School - Saving Water

<http://sustainability.ceres.org.au/project/saving-water-at-chatham/>

Hartwell Primary School – Water Saving Paving the Way to a Sustainable Future

<http://sustainability.ceres.org.au/project/water-saving-paving-the-way-to-a-sustainable-future-at-hartwell-primary-school/>

St Peter's Primary School - Water Case Study

<http://sustainability.ceres.org.au/project/st-peters-primary-school-water-case-study/>

Secondary

Brentwood Secondary College - Water Case Study

<http://sustainability.ceres.org.au/project/brentwood-secondary-college-water-case-study/>

Irymple Secondary College River Health Conference:

<http://sustainability.ceres.org.au/project/isc-students-attend-2011-river-health-conference/>

Alkira Secondary College – Water Case Study

<http://sustainability.ceres.org.au/project/water-module-case-study-2/>

Biodiversity Module:

St Augustine's College Kyabram - Saving Stick Insect From Extinction

<http://sustainability.ceres.org.au/project/the-return-of-the-phasmid-st-augs-exciting-role-in-bringing-a-species-back-from-extinction/>

Point Cook P-9 College - Bird Watching

<http://sustainability.ceres.org.au/project/point-cook-college-p-9-bird-watching-at-jamieson-way-wetlands/>

St Bernadette's Primary School - Sword-Grass Brown Butterfly Survival

<http://sustainability.ceres.org.au/project/swordgrass-brown-butterfly/>

St Joseph's Primary School (Crib Point) - Kitchen Classroom And Mangrove Wetland

<http://sustainability.ceres.org.au/project/st-josephs-crib-point-kitchen-classroom-and-mangrove-wetland/>

Good Samaritan Primary School - Growing Vegetables

<http://sustainability.ceres.org.au/project/good-samaritan-vegetable-success-story/>

Werribee Primary School - Green Wall

<http://sustainability.ceres.org.au/project/vertical-garden-wall/>

Werribee Primary School - Numeracy Indigenous Garden

<http://sustainability.ceres.org.au/project/numeracy-garden/>

St. Macartan's Primary School - Nature Playscape

<http://sustainability.ceres.org.au/project/st-macartans-primary-nature-playscape/>

East Bentleigh Primary School - Garden Program Case Study

<http://sustainability.ceres.org.au/project/biodiversity-case-study-garden-program-at-ebps/>

St. Augustine's Primary School - Biodiversity Case study

<http://sustainability.ceres.org.au/project/biodiversity-case-study-2/>

Port Fairy Consolidated School - Earth Credits

<http://sustainability.ceres.org.au/project/earth-credits-program/>

Port Fairy Consolidated School - Carbon Capture

<http://sustainability.ceres.org.au/project/trees-2-b-co2-free-challenge/>

Mount Evelyn Primary School - Sustainability Newsletter

<http://sustainability.ceres.org.au/project/latest-mount-evelyn-primary-schools-sustainability-newsletter/>

Mother Teresa Primary School - Our Interpretative Map

<http://sustainability.ceres.org.au/project/our-interpretative-map/>

Ballarat Steiner School - Garden Landscapes

<http://sustainability.ceres.org.au/project/garden-landscapes-at-ballarat-steiner-school/>
