

MOVIE RESPONSE MATRIX

Watch one of the movies from our Sustainability movies list and choose your own activities to complete in response!

<p>Write interview questions for one of the characters Bonus: Film an interview and send to your family to watch</p>	<p>Write a letter to one of the characters in the movie</p>	<p>Create an artwork of your favourite landscape scene in the movie from recycled materials at home- why is this landscape your favourite?</p>
<p>Create a map of a key location in the movie. Make sure you include: the title, orientation, legend, border and scale</p>	<p>Redesign and build an object from the movie. Think about what materials you could use, and why you're using them. Are they sustainable? How do you know?</p>	<p>Design and make a board game based on the movie</p>
<p>Research one of the animals or plants in the movie and create an information report or poster of your findings</p>	<p>Pick a character and make a list of adjectives that describe that character Bonus: Turn them into a word search</p>	<p>Create a Venn diagram to compare and contrast the environment in the movie with the environment you live in</p>
