

HOW TO RECYCLE WITH TERRACYCLE

JOIN

Create a TerraCycle account and join the recycling programs you would like to participate in. When you sign up make sure you select "Ceres School Challenge" for the "How did you hear about us?" field.

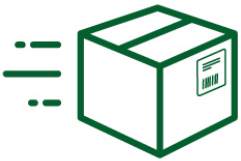

COLLECT

Set up a collection box at your school using any cardboard box you have around with a plastic bag inside. You can download an accepted waste poster from our website and stick it to the box to remind everyone exactly what is and isn't accepted.

DOWNLOAD LABEL

When one of your collection boxes is full, download and print a free shipping label for that program from your TerraCycle account and tape it securely onto your box. If you are sending in waste for multiple programs please ensure the waste is kept in separate boxes and each has a label from the correct program.

SHIP FOR FREE

Ship the box to TerraCycle for free by dropping it off at your nearby post office. We will take care of the rest. Your shipments will earn you TerraCycle points which you can redeem for donations to your school.

RECYCLING PROGRAMS WE RECCOMEND FOR SCHOOLS
